Mr. Omar Al-Khateeb
GENERAL MANAGER

ABOUT US

BUILDING AN INNOVATIVE & RELIABLE DIGITAL FUTURE

At Tetabea Information Technology, we go beyond providing traditional IT services. We act as a strategic partner aiming to transform our clients' visions into a tangible digital reality.

Driven by a passionate and specialized team, we offer comprehensive tech solutions ranging from complex software development and e-invoicing systems to robust

networking and infrastructure setups following global security standards. Our goal is to equip your enterprise with the tools it needs to operate efficiently, securely, and rapidly.

- Custom-Tailored Solutions - Intend to design solutions that fit the exact size and aspirations of your business.
- Security & Trust - Implement strict protection protocols to ensure data confidentiality and integrity.

Turning Concepts into Captivating Digital Experiences

Tetabea IT delivers cutting-edge web and mobile application development services to help businesses enhance their digital presence, streamline operations, and engage users effectively. Our expert team leverages the latest technologies to build scalable, secure, and high-performance applications tailored to your specific needs.

Web Application Development

We design and develop custom web applications that are:

- ✓ Responsive & User-Friendly – Optimized for all devices (desktop, tablet, mobile).
- ✓ High Performance – Built with robust frameworks (PHP, Laravel, MySQL, etc.) for speed and efficiency.
- ✓ Secure & Scalable – Robust backend architecture with strong security measures.
- ✓ E-Commerce & CMS Solutions – Custom online stores, dashboards, and content management systems.

Mobile Application Development

We create feature-rich mobile apps for iOS, Android, and Cross-Platform solutions:

- ✓ Cross-Platform Apps – Cost-effective, high-performance solutions using Flutter or React Native.
- ✓ PHP-Powered Backends – Reliable, scalable server-side architecture connecting your apps to real-time data.
- ✓ UI/UX Focused – Intuitive, engaging interfaces for better user retention.
- ✓ API Integration – Seamless connectivity with third-party services.

ERP & CRM SOLUTIONS & SERVICES BY TETABEA IT

Tetabea IT empowers businesses with end-to-end ERP and CRM solutions to streamline operations, enhance efficiency, and drive digital transformation. Our certified consultants deliver customized implementations, integrations, and support to optimize your enterprise processes and customer relationships.

Our **ERP & CRM Expertise** Includes:

✓ ERP & CRM Implementation & Consulting

End-to-end ERP and CRM deployments, system upgrades, and module implementations. Business process analysis, gap assessment, and roadmap planning.

✓ ERP & CRM Customization & Development

Tailored modules, UI enhancements, and automation for unique business needs. Custom workflows, reports, and extensions.

✓ ERP & CRM Integration & Migration

Seamless integration with third-party apps, cloud services, and legacy systems. Smooth migration to modern ERP and CRM platforms with minimal disruption.

✓ ERP & CRM Support & Maintenance

24/7 troubleshooting, upgrades, and performance optimization. User training and post-go-live support.

✓ Industry-Specific ERP & CRM Solutions

Specialized solutions for manufacturing, retail, healthcare, finance & logistics covering both operational (ERP) and customer-facing (CRM) needs.

DIGITAL MARKETING SERVICES BY TETABEA IT

At **Tetabea IT**, we bring brands to life through strategic, data-driven digital media solutions. With expertise spanning social media, content creation, SEO, PPC, and influencer marketing, we craft compelling campaigns that boost visibility, engagement, and conversions.

Our **Digital Media Services** Include:

✓ **Social Media Marketing & Management**

Platform-specific strategies for Facebook, Instagram, LinkedIn, Twitter. Content calendars, community engagement, and performance analytics.

✓ **Content Creation & Storytelling**

High-impact videos, graphics, blogs, and infographics. Branded storytelling that resonates with your audience.

✓ **Search Engine Optimization (SEO) & SEM**

On-page, off-page, and technical SEO for higher rankings. Google Ads, Bing Ads, and programmatic advertising.

✓ **Influencer & Affiliate Marketing**

Partnering with the right influencers to amplify your brand. Performance-based affiliate programs.

CCTV & SECURITY SURVEILLANCE SOLUTIONS BY TETABEA IT

Tetabea IT provides comprehensive CCTV and surveillance solutions to protect your premises, assets, and people. We design, install, and maintain security systems tailored to residential, commercial, and industrial needs.

Our CCTV Services Include:

✓ CCTV System Design & Installation

Site surveys, camera placement planning, and professional installation for full coverage. Indoor, outdoor, and covert camera solutions.

✓ IP & Analog Camera Solutions

High-definition IP cameras with remote monitoring. Analog systems for cost-effective coverage.

✓ Video Management Systems (VMS)

Centralized monitoring, recording, and playback across multiple locations. Cloud storage and remote access via mobile & desktop.

✓ Maintenance & Monitoring

24/7 system health checks and troubleshooting. Preventive maintenance to ensure continuous uptime.

PRINTER & OFFICE AUTOMATION SOLUTIONS BY TETABEA IT

Tetabea IT supplies and supports a full range of printing and office automation solutions to keep your business running efficiently, from single desktop printers to enterprise-wide managed print services.

Our Printer Services Include:

✓ **Printer Sales & Supply**

Laser, inkjet, and multifunction printers from leading brands. Solutions tailored to office size and print volume.

✓ **Managed Print Services (MPS)**

Proactive monitoring, toner replenishment, and cost optimization.
Reduced downtime through predictive maintenance.

✓ **Installation & Network Configuration**

Seamless setup and integration with office networks. Multi-user and multi-department print management.

✓ **Repair & Technical Support**

On-site and remote troubleshooting. Genuine parts replacement and preventive servicing.

FIBER OPTIC SOLUTIONS BY TETABEA IT

Tetabea IT delivers high-speed, reliable fiber optic infrastructure to power your business connectivity, from single-site installations to large-scale enterprise networks.

Our Fiber Optic Services Include:

✓ **Fiber Network Design & Installation**

Structured cabling and fiber backbone design for offices, campuses, and data centers. Single-mode and multi-mode fiber deployment.

✓ **Fiber-to-the-Office/Building (FTTO/FTTB)**

High-bandwidth connectivity for uninterrupted operations. Scalable infrastructure to support future growth.

✓ **Splicing, Testing & Termination**

Precision fusion splicing and OTDR testing for signal integrity. Certified termination for long-term reliability.

✓ **Maintenance & Upgrades**

Ongoing network health monitoring. Infrastructure upgrades to meet evolving bandwidth demands.

BIOMETRIC SYSTEMS BY TETABEA IT

Tetabea IT implements advanced biometric solutions to strengthen access control and workforce management, combining security with convenience for modern organizations.

Our **Biometric Services** Include:

✓ Access Control Systems

Fingerprint, facial recognition, and card-based access solutions. Multi-door and multi-site access management.

✓ Time & Attendance Systems

Automated employee clock-in/out tracking. Integration with payroll and HR systems.

✓ System Integration

Seamless integration with existing security and ERP platforms. Centralized dashboards for real-time monitoring.

✓ Installation & Support

Professional setup and configuration. Ongoing maintenance and technical support.
